

A VERY BARI MINUTE

Featuring: Trost Plus Bariatric Hospital Bed

Welcome back to A Very Bari Minute, a series all about bariatrics and the specialized equipment that's out in the marketplace today! November's product features is the **Trost Plus Bariatric Hospital Bed** by Permobil!

Product Highlights

1. Crossed Steel Deck Design

The Trost has crossed steel slats on the deck of the bed which prevents sag in the bed deck and provides rigidity. This also allows the bed to be width extendible.

2. Front Tilt

Also featuring a quiet yet effective motor, the Trost Plus has low electrical consumption DC Motors equipped for height, head, and foot articulation.
