

The Axiom G is a premium general-use cushion designed to provide comfort, support, and stability for everyday wheelchair users. Its contoured design, quality materials, and pressure-distributing features make it an excellent choice for long-term seating comfort.

Features

- Mild contoured shape promotes comfort and stability
- Helps reduce surface tension for improved immersion and pressure distribution
- Hexagonal foam design enhances envelopment around the ischia and coccyx
- Pre-contoured shape supports the pelvis, trochanters, and femurs
- High-IFD polyurethane foam provides durable, long-lasting support
- Four-way stretch, water-resistant cover improves comfort and protection
- Skid-resistant bottom panel helps keep the cushion in place
- Water-resistant zipper and loop pull allow for easy cover removal
- Front handle with utility loops for carrying and accessories
