

The Axiom P is a positioning cushion designed to provide enhanced stability, support, and pressure redistribution. Its contoured design promotes proper posture while helping maintain comfort and skin protection for users who require additional positioning support.

Features

- Provides enhanced positioning and lateral stability
- Contoured design promotes proper posture and pelvic support
- Hexagonal foam well improves immersion and pressure redistribution
- High-density foam offers durable, long-lasting support
- Four-way stretch, water-resistant cover enhances comfort and protection
- Easy-to-clean cover with carrying handle and utility loops

Specifications

- Weight: 2.2 lbs (1.0 kg)
- Weight Capacity: 350 lbs (158 kg)
- Cover: Four-way stretch, water-resistant cover with skid-resistant bottom panel and durable side panels
- Overall Height: 3.5" (8.9 cm)
- Leg Trough Height: 2.25" (5.7 cm)
