

Axiom SP Fluid Cushion

The Axiom SP Fluid cushion uses a lightweight Hydrolite fluid bladder to improve pressure distribution, stability, and comfort while helping reduce pressure around the hips and tailbone.

Features

- Hydrolite fluid bladder helps reduce pressure and shear
- Contoured shape helps improve stability and positioning
- Dual-density foam base provides support and comfort
- Stretch Lycra cover helps improve immersion and comfort
- Water-resistant inner cover helps protect the foam from moisture
- Lightweight fluid design performs consistently in different temperatures
- Easy-to-clean cover with front handle for convenience
