

Axiom SP Visco Cushion

The Axiom SP Visco is designed to provide comfort, pressure redistribution, and positioning support. Its viscoelastic foam insert helps improve immersion, stability, and skin protection while promoting proper sitting posture.

Features

- Viscoelastic foam insert enhances comfort and pressure redistribution
- Promotes increased immersion and stability
- Helps reduce pressure around the ischial tuberosities and coccyx
- High-density dual-layer foam base provides durable support
- Pre-contoured shape supports pelvic positioning and posture
- Hexagonal foam design improves envelopment and comfort
- Four-way stretch Lycra cover helps reduce surface tension
- Water-resistant inner cover protects the foam core
- Easy-to-clean cover with water-resistant zipper
- Front handle with utility loops for carrying and accessories
