Grab & Go Manual Wheelchair Package

HME HOME HEALTH EXCLUSIVE

The Grab & Go Manual Wheelchair Packages include (1) Helio Move Wheelchair, (1) choice of backrest, and (1) choice of cushion. These packages are continually stocked at HME Home Health and are available for free delivery and setup within 48 hours.

- Rigid Unibody Frame — A unibody frame is much stronger and needs less maintenance than a standard two-part frame. It also reduces weight while maximizing propulsion efficiency.
- Ultrarigid Folding System — High-precision tolerances and oversized pivot axles for best-in-class propulsion efficiency.
- Vertical Axleplate — Offers two center of gravity positions, both in front of the back post, for optimal efficiency. Vertical mounting maximizes rigidity and responsiveness.
- Flip-back Convertible Armrest — Easy to adjust and made of composite material for strength and reduced weight. The only armrest that converts from flip-back to single post without the use of tools.
