

Ki Mobility CR45 Tilt-in-Space Wheelchair

The Ki Mobility CR45 is a tilt-in-space wheelchair designed to provide positioning, pressure relief, and comfort. Its durable, low-maintenance design and smooth tilt system make it an excellent option for everyday mobility and caregiver-assisted positioning.

Features

- Tilt-in-space design with up to 45° of tilt for positioning and pressure relief
- Smooth, easy-to-use tilt system with hand or foot activation options
- Adjustable leg positioning options support individual needs
- Durable, low-maintenance bearing system
- Fold-down stroller handles improve caregiver comfort and transportability
- Lifetime warranty on frame and tilt bearings
