

The Liberty FT is a lightweight folding tilt-in-space wheelchair designed to provide portability, independent mobility, and pressure relief. Its compact folding design makes it easy to transport without sacrificing the benefits of tilt-in-space positioning.

Features

- Lightweight folding frame for easy transport and storage
- Up to 20° of tilt for positioning and pressure relief
- Fold-down back creates a compact travel package
- Designed to support independent foot propulsion
- Gas-spring tilt system provides smooth, effortless repositioning
- Durable, lightweight construction
