

Life after MEPP

What to do when your MEPP Equipment is due back?

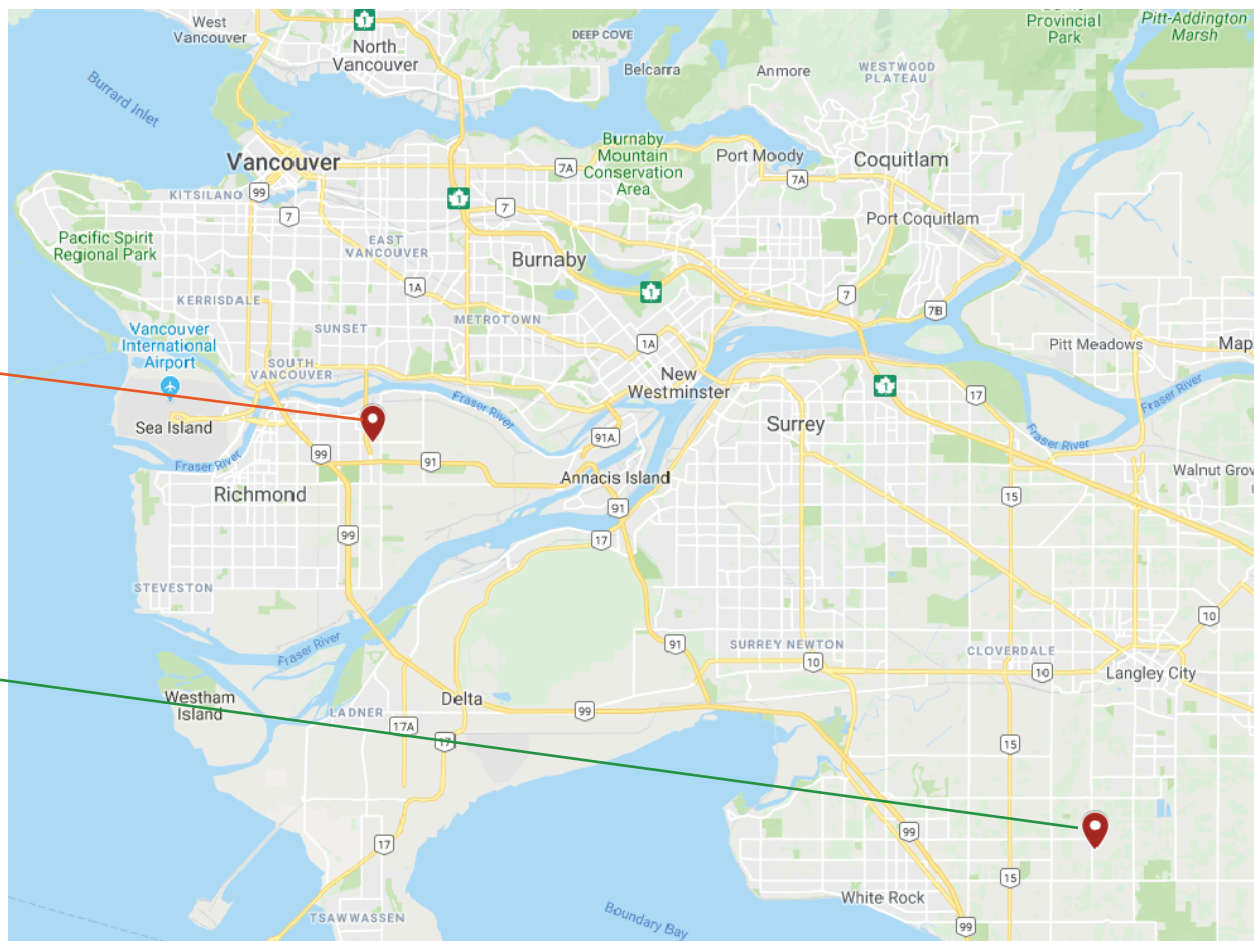

- **HME is proud to be a partner on the Medical Equipment Provisional Program (MEPP). Under this program clients receive short term loan equipment funded by the Health Authorities to discharge clients back into their homes.**
- **HME has 3 locations with over 70 employees and are happy to serve you in the Lower Mainland and Vancouver Island.**
- **When your MEPP equipment is due back, clients can return the equipment, or if you need the equipment further, HME has a variety of options allowing clients to continue to use the equipment.**

Purchase Equipment

You can purchase medical equipment from HME, depending on your location. HME and has special buyout pricing as well as a variety of different equipment options. Please contact your local HME office so they can assess your needs:

Fax: (604) 542-0184

Life after MEPP:

Rent Equipment

Renting is a great option for short-term requirements. You can continue to rent the same equipment that you are currently using as recommended by your therapist and pay privately for continuation of the rental. HME also has special buyout pricing where 100% of the first month's rental and 50% of each subsequent month's rental fee can go towards purchasing the equipment.
