

Pressalit Care Nursing Bench 1000

The Pressalit Care Nursing Bench 1000 is a height-adjustable changing bench designed to provide safe, comfortable care for children and adults. Its fold-away design maximizes floor space while supporting proper working height for caregivers.

Features

- Height-adjustable design for improved caregiver ergonomics
- Fold-away design saves space when not in use
- Durable PVC-coated, phthalate-free canvas stretcher
- Easy-to-clean, hygienic materials
- Suitable for healthcare, schools, care facilities, and home use

Specifications

- Weight Capacity: 331 lbs (150 kg)
- Materials: Powder-coated stainless steel and PVC-coated canvas
- Color: White
