

Quantum Edge 3 Stretto

The Quantum Edge 3 Stretto is an ultra-narrow power wheelchair designed for children, teenagers, and small adults who need exceptional maneuverability in tight spaces. With independent Smooth Ride Suspension (SRS), optional iLevel® seat elevation, and advanced seating options, it delivers a smooth, comfortable ride without sacrificing performance.

Features

- Ultra-narrow base for outstanding indoor maneuverability
- Independent Smooth Ride Suspension (SRS) for enhanced comfort
- Optional iLevel® with up to 12" of seat elevation
- Front and rear LED fender lights with built-in USB charger
- Compatible with TRU Balance® seating and Q-Logic 3 controls
- Available in a wide range of colors and finishes
