

RAZ-AT Shower Commode Chair

The RAZ-AT Shower Commode Chair is a tilt-in-space shower and commode chair designed to improve comfort, positioning, and pressure relief. Its gas-assisted tilt system and adjustable features provide safe, ergonomic support for both users and caregivers.

Features

- Up to 40° gas-assisted tilt for pressure relief
- Ischial Pelvic Alignment System (IPAS) for improved positioning
- Adjustable swing-away footrests and flip-up armrests
- Molded seat with Harmony back and adjustable headrest
- Dual-locking casters for safe mobility
- Includes elongated commode pan

Specifications

- Tilt Range: Up to 40°
- Seat Height: Adjustable with 4" height range
- Caster Size: 5" dual-locking casters
- Back Options: 17" or 20" fixed back
- Frame: Stainless steel construction
