

SINA Comfort Shower Trolley

The SINA Comfort Shower Trolley is designed to provide safe, comfortable, and dignified showering for residents while reducing caregiver strain. Its adjustable height, tilting platform, and smooth maneuverability make transfers and bathing easier in care environments.

Features

- Height-adjustable platform with positive and negative tilt
- Fold-down side rails for safe, easy transfers
- Smooth-rolling castors for easy maneuverability
- Flexible drainage hose for efficient water management
- Bariatric XXL model available
- Battery-powered height adjustment
