

Stellar 24" Bariatric Tilt Wheelchair

The Stellar 24" Bariatric Tilt Wheelchair is designed to provide pressure relief, positioning, and mobility for bariatric users. Its 45° tilt and low knee-rise design promote comfort while allowing users to remain engaged in daily activities.

Features

- Up to 45° of tilt for positioning and pressure relief
- Low knee-rise design supports table access and daily activities
- Attendant-operated tilt with smooth operation
- Adjustable rear wheels support hand propulsion
- Durable frame with optional reclining back
- Short wheelbase for improved maneuverability
