

Verteo Sit-to-Stand Lift

The Verteo Sit-to-Stand Lift is designed to assist users with limited core stability in achieving safe, supported standing transfers. Its ergonomic design promotes natural movement while reducing strain on caregivers, making it ideal for hospitals, long-term care, and home care settings.

**MSRP
\$6,995**

Features

- Supports safe sit-to-stand and transfer assistance
- Compact design for use in tight spaces
- Electrically powered leg extension for easier positioning
- Comfortable support straps and adjustable shin supports
- Emergency lowering and overload protection for added safety
- Lightweight, ergonomic design with maintenance service indicator
