The Delta® Ultra-Light 1000 Full-Electric Bed offers a versatile and durable design for home care, featuring break- and scratch-resistant wood grain panels, lightweight channel frame construction, and quiet operation. An easy-to-use hand pendant provides powered positioning, while the full-electric design allows convenient adjustment for everyday care. The bed also features a zinc-coated spring deck, self-contained motor, battery backup for power failures, and a 450 lb weight capacity.

Delta® Ultra-Light 1000, Full-Electric Bed

Created for both comfort and durability, the Signature Series Luna™ Mattress is a solid single foam mattress. The mattress features a dense and firm foam that provides resistance to bottoming out and features a highly durable non-stretch cover with a center line zipper with a flap that protects the mattress from fluids. This mattress is CertiPUR-US certified—safe for indoor use and free from harmful chemicals such as formaldehyde and ozone depleters.
